Central States Synod Meeting

Several of our congregation met with a representative from the Central States Synod to begin our call process. The meeting went really well, as many questioned were answered and concerns, requests, etc. were brought to the table. We as a congregation were encourage to seek opportunities, whether shared with another small church or with just our congregation, as well as to complete the profile for our call process. At the February council meeting the profile was completed. Now, it's on to the next part of the process. We are very hopeful and excited to begin this process once again. Any questions, please contact Bob Anderson.

Inclement Weather

This winter has definitely proven to be a very COLD one! In any instance that we have inclement weather, Bob Anderson will make the call as to whether or not we will need to cancel service for the safety of our Pastor, whom travels from Chesterfield, Missouri and also for the safety of our congregation family. If a service were to be canceled, Bob Anderson will contact Kayla Fawe to notify everyone. Kayla Fawe will email everyone with an email on our contact list and call those who do not have an email. So, please check your email first if you have given one and if needed, you can always contact Kayla via cell at 573-259-3502. The notification is also aired on KTUI as well.

A Gift From Above

We will be having a congregational meeting this Sunday, February 9th after church to discuss the gracious gift given to us by Eileen Mueller. She very generously left half of her house to Peace, which means we can either buy the other half and use it as a parsonage or sell it. Please bring any comments, questions or concerns to the meeting. This is a really great blessing for our church!

Trivia Night

Trivia Night was a SOLD OUT event! A huge thank you to Trudy Sumner and Susan Klauser for coordinating the event, as well as many, many others! We can't wait to hear the results of how much money was made to help benefit our church and our community. Thrivent Financial for Lutherans will be matching the proceeds up to \$6,000. These funds will be distributed to some of the organizations that help the many needy in our town. Meramec Community Mission, Sullivan Emergency Assistance, Ministerial Alliance, and the Snack Backpack Program are several that could benefit from donations.

Prayer Chain Revamp

With the updated contact information we have received, Kayla Fawe has a new prayer chain, chain-of-commands. She will be printing out a guide for everyone.

Calling All Ideas...

At our December congregational meeting, we discussed looking for new ways of outreach in which we can invite our community to events at the church that are free and welcoming (i.e. Santa coming to Peace next year, Growing pumpkins in our garden, etc) Any and all ideas are welcome! Please post them to the bulletin in the front of the Narthex. Also, we are looking for new ideas for Adult Night Out. Know of a good restaurant to visit? See Shirley Isgriggs or Robert Mesger.

Don't Miss the Next Book Club

The book club meets every month in Sullivan. Any questions and to find out when the next meeting will be, please contact Pat Fiedler.

Great Job Youth!

A big shout out to the youth and Kim Palmer for surpassing their goal of collecting over 100 pairs of shoes! What a fantastic project you have completed!
